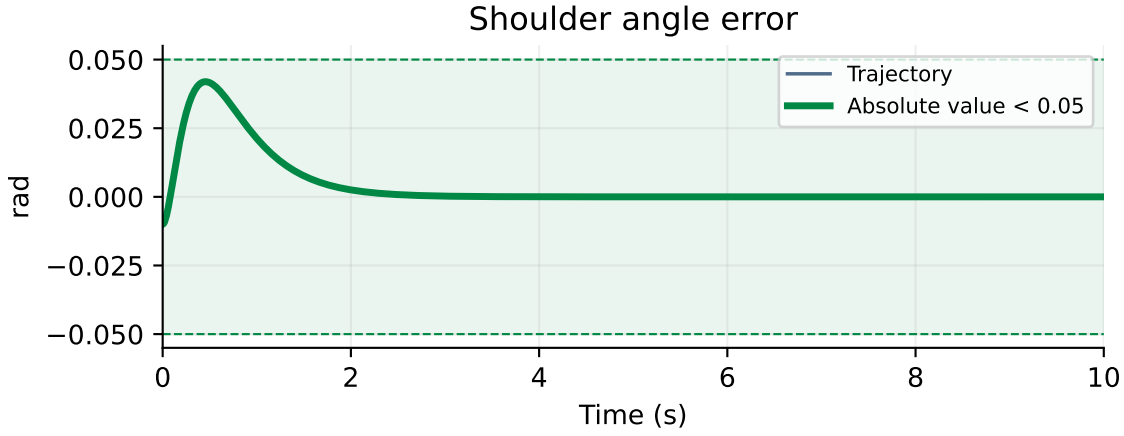
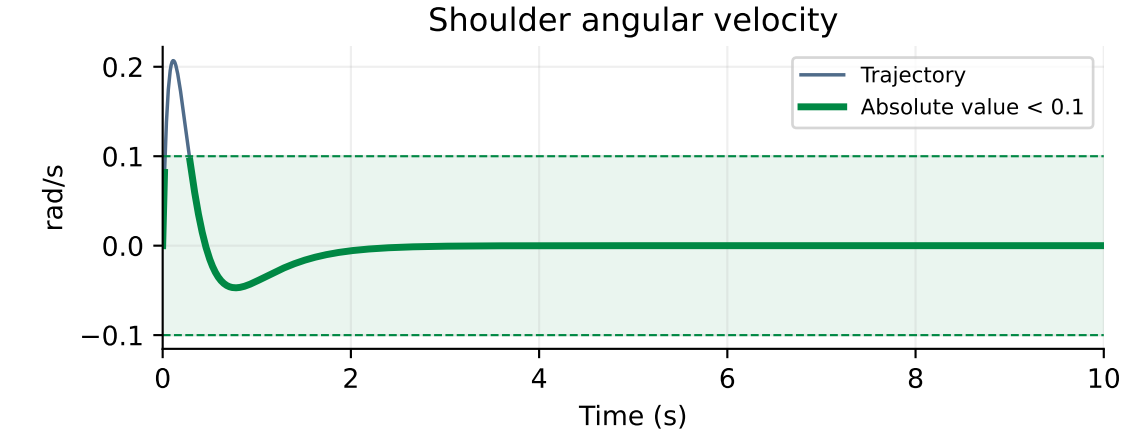
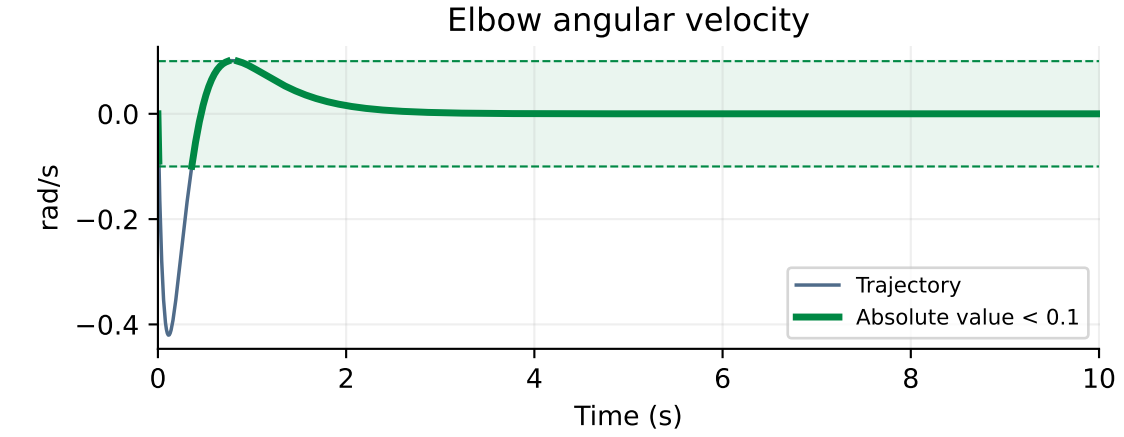
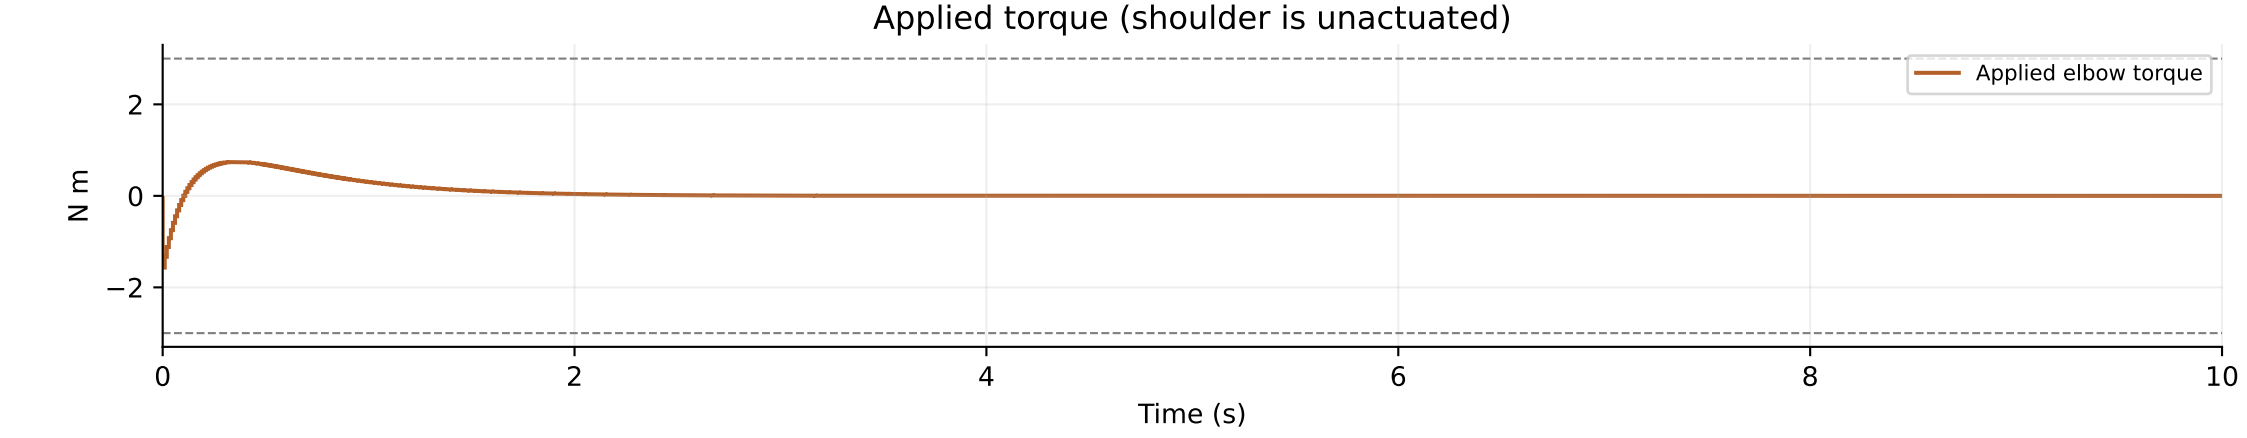
Acrobot | Current YAML execution | Full run







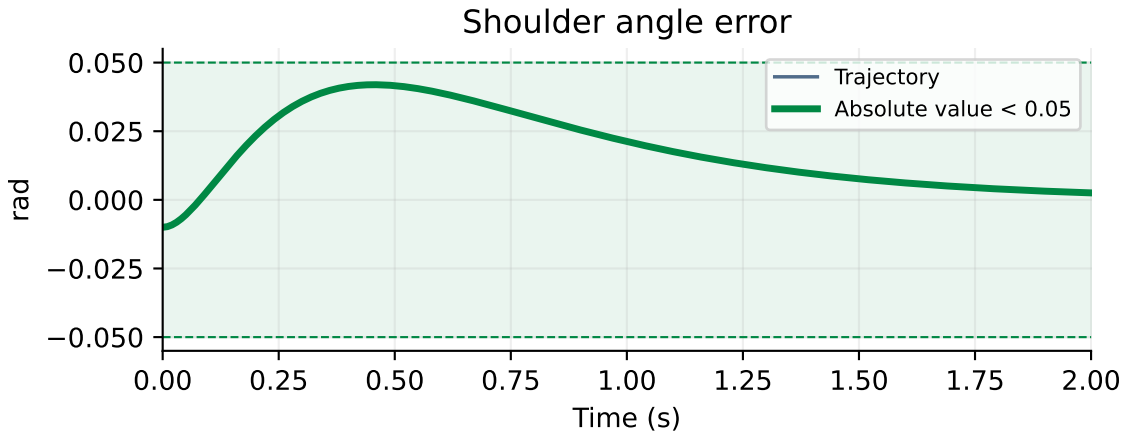


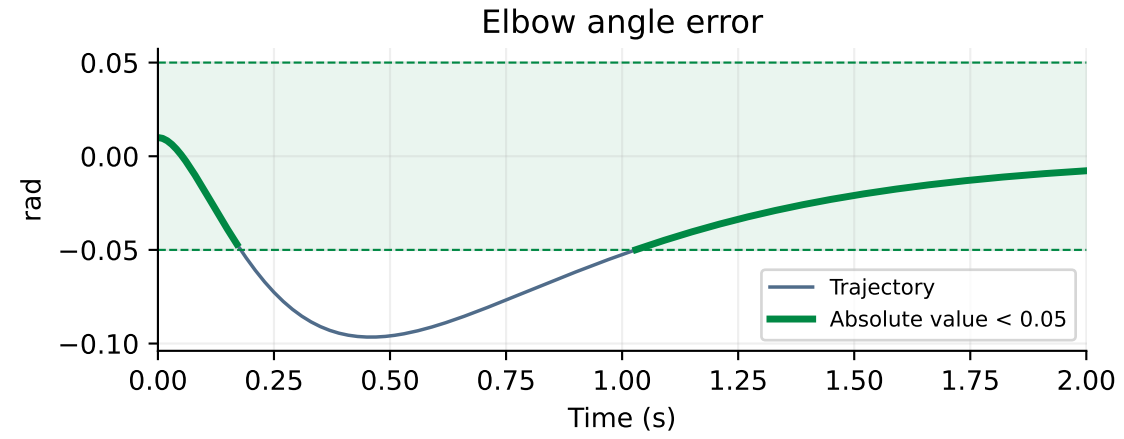
Mode: infinite | dt: 0.01 s | duration: 10 s | clipping: True | limit: 3 N m

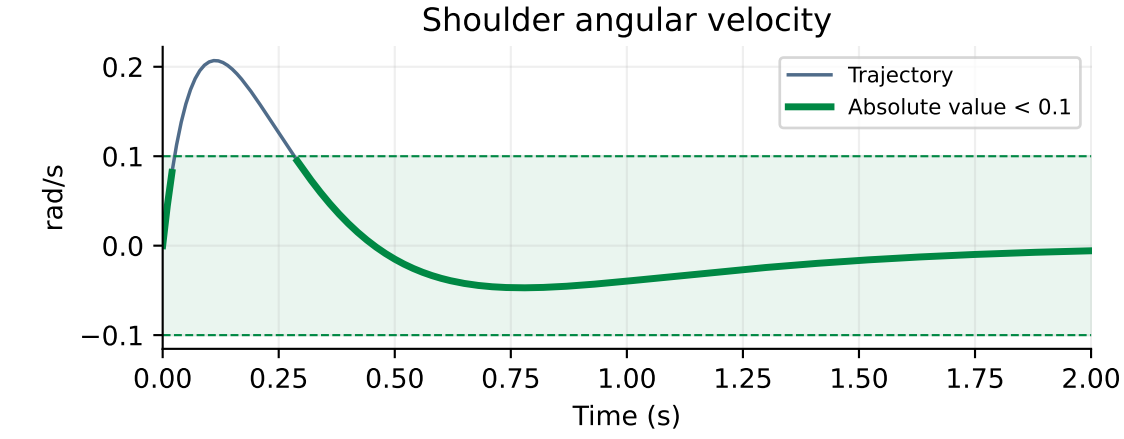
Initial state: [3.1316, 0.01, 0.0, 0.0] | Angular errors wrapped to [-pi, pi).

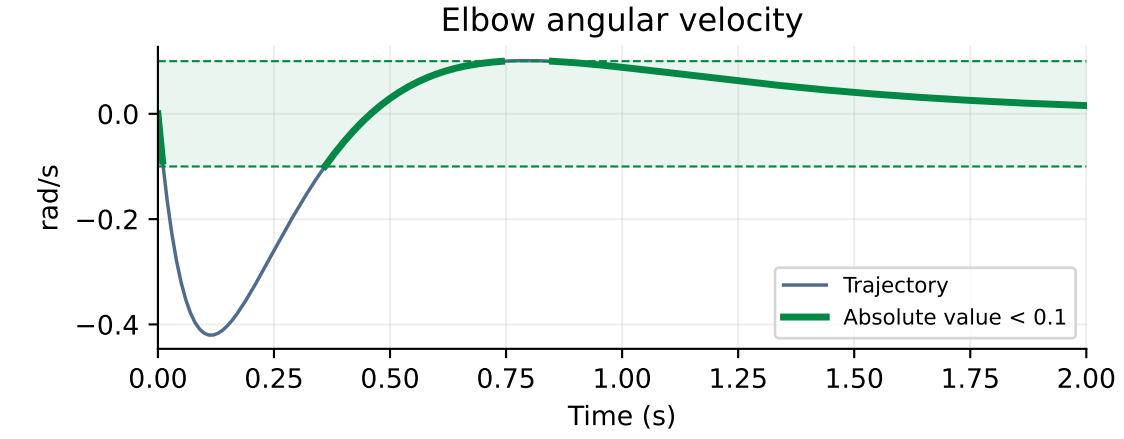
Green curves mark qualifying samples; pale bands show tolerance. Signed velocity is plotted; speed = absolute velocity.

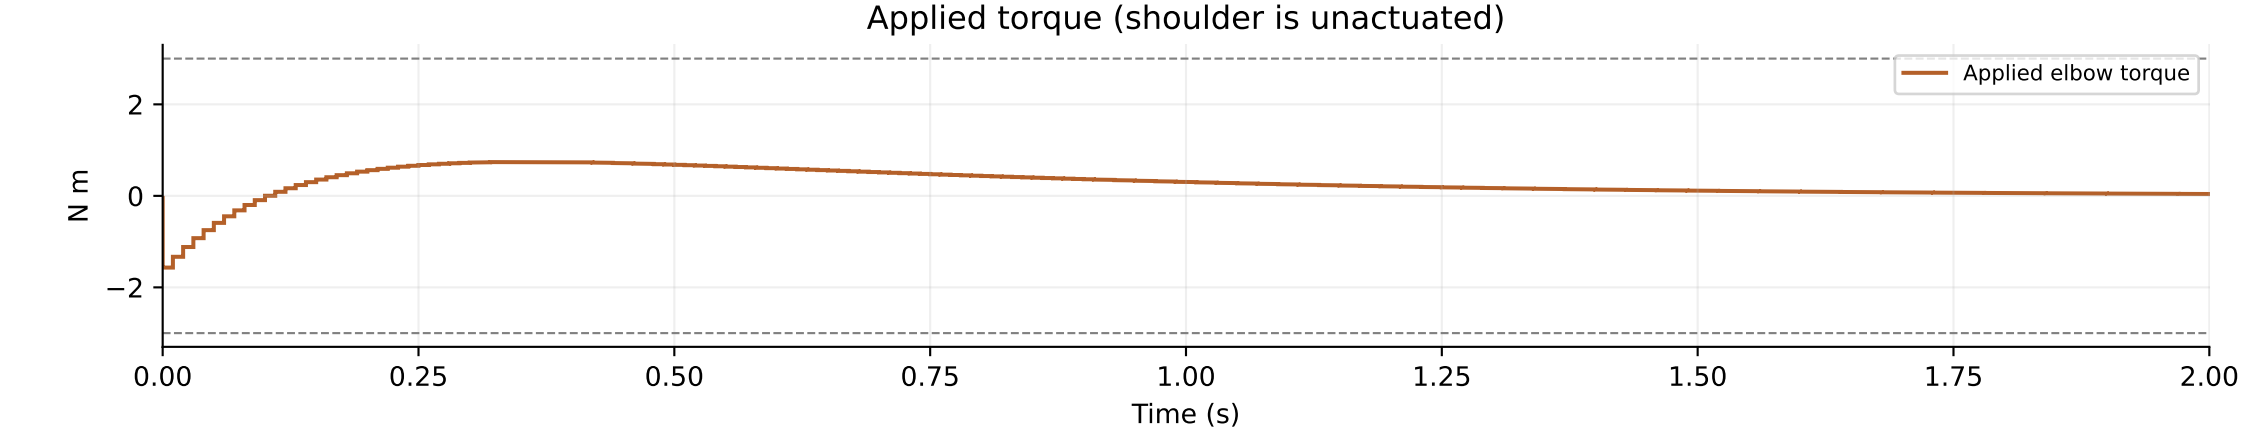
Acrobot | Current YAML execution | First 2 seconds











Mode: infinite | dt: 0.01 s | duration: 10 s | clipping: True | limit: 3 N m

Initial state: [3.1316, 0.01, 0.0, 0.0] | Angular errors wrapped to [-pi, pi).

Green curves mark qualifying samples; pale bands show tolerance. Signed velocity is plotted; speed = absolute velocity.
